

What makes us different?

- No products or subscriptions to sell.
- No follow up.
- Each sign up takes less than five minutes
- Participants do not ask for money or payment of any kind.
- No out of pocket expense.
- Raise up to 40% more than with traditional fundraising
- This fundraiser will help community members potentially save hundreds of dollars a year.
- We help filter money back into the local community.
- More Money. Less Hassle.

How Does It Work?

Oh No! Not another fundraiser!

Don't worry! We know how frustrating fundraisers can be. That is why at KnockStar Fundraising we have developed a fundraising program that not only helps your organization raise the funds it needs, but also lightens the burden on those that make the biggest difference: you, the parents and guardians.

So what is KnockStar Fundraising?

KnockStar Fundraising is different. KnockStar has teamed up with friendly local insurance agents from trusted companies such as State Farm and Farmers. We work in conjunction with these agents and connect them to individuals interested in receiving a free quote on their auto insurance policy.
